BISHOPLAND EDUCATIONAL TRUST

30TH ANNIVERSARY CELEBRATIONS

It was such an honour to share our 30th anniversary celebration on 30th June with so many of you, and our network of supporters. Our Trustees (pictured below) were delighted with the turnout and really appreciated the opportunity to meet Fellows in person. The display of silversmithing and jewellery made over 30 years certainly brought to life the creative success of Bishopsland Fellows. We heard from many of you on the night about the impact Bishopsland made on your life and careers.

CAN YOU HELP?

We are excited to be part of Goldsmiths Fair this year, with an exhibition in the Binding Room of our new Tools Library.

This is a fabulous opportunity to introduce Bishopsland, explain our ethos and successes, and encourage new sources of funding and support.

If you can spare a couple of hours over the course of the Fair to help us man the exhibition, we'd be very grateful.

Please email Claire with your availability

CUTLERS HALL & SALE MONDAY 27 NOVEMBER

Our first major exhibition of the academic year will be held at the Cutlers' Hall on Monday 27 November. This is always a very well supported exhibition and has the dual role of introducing the new cohort to the 'Bishopsland Standard' as well as providing a selling opportunity for Fellows.

If you would like to exhibit with us, please contact Claire:
